13/001	18/02/13	Requested for bridge signage between Netherfield/Passmore (On Netherfield side). Name should read Passmore not Tinkers Bridge.	resident	(Previous) Clerk applied under new capital expenditure program	Not accepted. Apply again in September 2013. Awaiting reply still to be pursued Mar '14. T Higgins passed to Planning.	Re-submitted 5 Sep 2014 ENV ref 400720. No report by end Oct. Chased Nov. Env Portal: 'In progress' (Jan 2015). Applied to the Bridge Team (Sue Chaundy) in Feb. who suggested the Cycling Network (Redway) team but commented also that Passmore was not a classified grid square name and this might be why nothing has happened. Awaiting Cycling response. Post meeting Mar 2015: Cycling said not in their remit. Asked Sue Chaundy to remove old Tinkers Bridge name in the meantime. July 7th 2015: 'in progress'	Agreed to pay for removal or OWPC to pay for new. However 'wayfinding' declared this would be a change in policy as these signs should mark grid squares - therefore not agreed by MKC.	01-Mar-17
