We will collate a central list (keeping personal data secure) and, of course, ensure we consider and work within Government guidelines and the ongoing formal advice.

In addition you might wish to join the existing OWPC Notification Service by emailing the Comms. Team at communications@oldwoughton.org.uk giving us your contact details.

In this period of continuing change, with important Government announcements seemingly every day, be re-assured that this community is well placed to be able to respond to you quickly. Meanwhile, we re-produce overleaf, a short list of expert services that you are able to contact 24 hours a day.
