13/001	18/02/13	Requested for bridge signage between Netherfield/Passmore (On Netherfield side). Name should read Passmore not Tinkers Bridge.	resident	(Previous) Clerk applied under new capital expenditure program	Not accepted. Apply again in September 2013. Awaiting reply still 16/09/13. To be pursued Mar '14. T Higgins passed to Planning.	Re-submitted 5 Sep 2014 ENV ref 400720. No report by end Oct. Chased Nov. Env Portal: 'In progress' (Jan 2015). Applied to the Bridge Team (Sue Chaundy) in Feb. who suggested the Cycling Network (Redway) team but commented also that Passmore was not a classified grid square name and this might be why nothing has happened. Awaiting Cycling response. Post meeting Mar 2015: Cycling said not in their remit. Asked Sue Chaundy to remove old Tinkers Bridge name in the meantime. July 7th 2015: 'in progress'	In Progress	
14/013	01/05/14	Resurfacing Newport Rd	Cllr McDonald	Scheduled for late Autumn 2014. Clerk to write to ask for acceleration of works.	Email sent. Reply received almost by return – essentially 'arrangements complicated, would see what they could do'.	Not yet done (Sep). Acceleration of works not happened by end Oct. Resurfacing completed from Church to Baskerfield - the remainder awaiting drainage works (Jan 2015). Part done. In the 16/17 program, planned for September 2016. Cllr McD to enquire about speed bumps alterations - Kim Hills, Interim Senior Highways Manager, reply 3rd May 2016 acknowledges one hump: 'The slopes of the hump at the northern end will be rebuilt as part of the surfacing scheme' also see below 16/061	Part done	02-Apr-16
14/016	19/05/14	Woughton Park drainage issue	Cllr McDonald	Raised by Cllr with Ringway	action has been agreed. Daniel Mullins	Awaiting action 2015. Postponed to drier weather. Awaiting dates. Richard Freeman communicated his discussion with Danny Mulins from earlier in the year - '...to excavate in front of the headwall and see if the pipe at the headwall is coming into the ditch or going out from the ditch.' Then chased up. 17 Oct: The drainage gang have been at Newport Road Woughton Park today, investigating the ditch by Walton Lake car park. The pipe in the original headwall opposite the Parish notice board (with the metal fence on top) has been blocked with concrete so is redundant, there is a pipe under an old entrance into the paddock, they couldn't find a pipe at the north (outfall) end of the ditch. Manhole TS04 (9951 on the modern map) is not visible in the field and has probably been buried. Landscaping have an outstanding order to cut back and clear and trees between the road and hedge. There is an outstanding job on the list of work for a drain jetting contractor to jet and map the highway drains from Standing way to Foxton. In the short term the drainage gang have cleaned out the grip behind the kerb weirs and back to the ditch.	In Progress

15/034	26/05/15	Request for missing name plate replacement (WotG) erroneously received from MKC (Susan Williams). Old Newport Rd slip road exit from Standing Way (H8)	MKC Susan Williams	emailed around councillors - definitely an error	Reported to Portal in any case.	ref given 613351 'in progress'. <i>Post July meeting</i> - Cllr McDonald reported the missing sign was included in MKC replacement schedule and placed on order. Email from Mike Pearson (see below also) 24/7 says he had put in a request a year ago but it had been closed. S. Williams replied adding that there had been '2 requests, Enquiry Refs 556817 & 605850, for the missing direction sign to be replaced' and it was this that was on order. She goes on to say that she fears the verges are not wide enough for a nameplate sign but she will pursue it if we want her to. Update - 11 Nov from Mike Pearson: awaiting MKC/OWPC funding decision and appropriate siting of village nameplate(s)	Awaiting funding decision
