

## Your health in Bedfordshire and Milton Keynes

Your invitation to the next pre-consultation stakeholder events (re-issued due to error on return email address)

**Thursday 19 May 2016**

Following our recent stakeholder forums and additional public and patient feedback on the Discussion Paper during April and early May, we have decided to hold further stakeholder events next week as part of our pre-consultation activity and would like to invite you to come along.

This will be a chance to hear about what we have done since we last met and what we heard. There will also be a chance to talk about the hospital models that are being considered, including the latest variant(s) that have come out of recent clinical discussions, prior to recommendations going forward to the Joint Committee in June.

The sessions will be short but informative and an opportunity for us to work with you to check we have heard you correctly and ensure our evaluation reflects your views.

You are invited to join us at one of two events on **Thursday 19 May**, details as follows:

### **Milton Keynes**

**10.30am to 12 noon** (registration from 10am)

Milton Keynes Christian Centre, Strudwick Drive, Oldbrook, Milton Keynes MK6 2TG

### **Bedfordshire**

**2.30pm to 4pm** (registration from 2pm)

Kings House, 245 Ampthill Road, Bedford MK42 9AZ

We do appreciate this is short notice, but we felt it was important to offer another opportunity for you to input to the evaluation of the potential hospital models.

Please could you confirm your attendance at either event by emailing [communications@bedsandMKhealth.org](mailto:communications@bedsandMKhealth.org), advising us of any access or communication requirements you may have.

For those able to join us at one of the events, we will send through further information as soon as we can beforehand, with details on the potential hospital models for discussion at the stakeholder meetings, before gathering your feedback.
