13/001	18/02/13	Requested for bridge signage between Netherfield/Passmore (On Netherfield side). Name should read Passmore not Tinkers Bridge.	resident	(Previous) Clerk applied under new capital expenditure program	Not accepted. Apply again in September2013. Awaiting reply still 16/09/13. To be pursued Mar '14. T Higgins passed to Planning.	Re-submitted 5 Sep 2014 ENV ref 400720. No report by end Oct. Chased Nov. Env Portal: 'In progress' (Jan 2015). Applied to the Bridge Team (Sue Chaundy) in Feb. who suggested the Cycling Network (Redway) team but commented also that Passmore was not a classified grid square name and this might be why nothing has happened. Awaiting Cycling response. Post meeting Mar 2015: Cycling said not in their remit. Asked Sue Chaundy to remove old Tinkers Bridge name in the meantime. July7th 2015: 'in progress'	Agreed to pay for removal or OWPC to pay for new. However 'wayfinding' declared this would be a change in policy as these signs should mark grid squares - therefore not agreed by MKC.	01-Mar-17
