4 March 2018

Dear Resident:

Milton Keynes 20 mile, 5k, 10k and Half Marathon races – Sunday 11 March 2018

I am writing to let you know about the above races which start from the XScape Building at 9.45, 10.00, 10.10 and 10.45am, and to ask for your cooperation. We are expecting about 4000 runners to take part.

The sections of the V7 between Avebury Boulevard and Eaglestone, and a section Golden Drive, Eaglestone, will be closed on a rolling closure basis between 9.40am and 11.10am and diversion signs will be in operation. If you normally park your car in the affected area and need to drive your car out during this period, it would be prudent to park your car outside the affected area overnight, or arrange to leave earlier or later.

Woughton on the Green : It is expected that the last runners will come across The Green (from Peartree Bridge) by 11.20am (Starting at approx. 9.30am). The route takes a left turn at the Oak tree and up to Woolstone.

The map also indicates that runners will pass through Woolstone between 10:05 and 13:00.

The map of the course shows that the route passes close to your house. The course will be well marshalled by members and friends of Marshall Milton Keynes Athletic Club. I would be grateful if you could exercise caution if you are using the roads and redways during this time, and give way to the runners, many of whom will be raising money for various charities. A substantial number of the runners will be using the race as part of their preparations for the London Marathon on 24 April.

If you have any concerns about the race would you please get in touch with me? More information about the event can be obtained from the race website at <http://www.mkrun.co.uk> and more information about the Club's activities can be found at <http://www.mkac.org.uk>.

If you want to cheer on the runners on the day, I'm sure they would appreciate your support, and this will add to the enjoyment of what promises to be an excellent event.

Sincerely,

Mick Bromilow
