

Allotment report 13th January 2018

Occupancy

Tenancy is at 90% occupancy to date.

Container Security

We have purchased and fitted telescopic lockable security posts in front of the metal container.

Haulage Ways

Several bags of mixed hard-core were purchased for filling pot holes in the haulage ways, some of which have been filled.

Security Cameras

Security cameras are now fitted on fifteen feet lamp posts, main gate cameras are working leaving rear gate cameras to wire up.

The Tea Hut

The tea room hut was water proofed by placing a new roof lining.
