

Allotment report 13 July 2020

Jean Gates

We regret to have to report that Jean Gates, a long time tenant and Patch Committee member, passed away while in South Africa as a result of contracting covid19. Our thoughts are with her family.

Occupancy

All workable plots are now occupied, eight prospective tenants are on the waiting list.

Some boundary plots, not conducive to good cultivation, are being considered for alternative use. This may include, for example, hazel coppicing.

Open Day

Due to the covid19 epidemic there will not be an open day event this year. We will have some event at the earliest time when it is safe to do so. We will still be making a donation to Willen Hospice from plant sales from the polytunnel.

Security

We are hoping to complete the security fencing on the West boundary of the allotments, about 63 metres, around October.
