

## Allotment report 14 September 2020

### Occupancy

Seven plots will be available at the end of the Patch-year. Invitations are being sent to prospective tenants from the waiting list. There is still a steady flow of applications for a plot.

### Plot Inspections

Nine letters of concern about plot condition have been sent. Seven responses have requested to keep their plots, the other two will be assumed to not require to continue their tenancy.

### Open Day

There is no Open day this year so no raffle for Willen Hospice, but the PAA have donated £200 to the Hospice.

### Water usage

This has increased 30% in the last two months and is currently being monitored.

### Patch cat

The allotment cat is now 9 years old and has successfully passed her MOT test with the RSPCA.
