

# Woughton Park Village Green Landscape review.

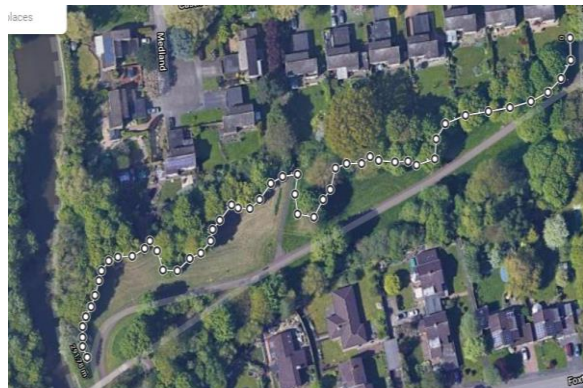

Please refrain areas marked **1,2,3,4,5,6**,

Areas 1,2,5,6 will be picture framed grass cut leaving one mower width along path side then meadow grass followed by wildflower and into woodland.

Due to us not cutting these area's over the mowing season, we will flail mow area's 1,2,5,6 for free at the end of the season, no bailing will be necessary.

1.  
Thin out woodland on area **1** rear of Castle Rose 1 to 15.

2.  
Wildflower running along tree line border marked in the image to the side approximately **280** meters by 1.2 meters this is going through areas **1,2**
