Why take part in the Blue Light Walk?

Throughout the pandemic, emergency services workers risked their lives to protect the public.

Blue light responders, NHS staff, and their families, have been under immense pressure, in difficult circumstances, for over 2 years.

Many essential workers have lost their lives.

We want to show our gratitude to NHS and emergency services workers for everything they have done and continue to do for us.

Our NHS

The NHS is the jewel in the crown of the UK.

Its publicly owned, free at the point of use model is the envy of the world.

The pandemic has shone a light on how stretched services are.

Ways to get involved:

Meet at the start of the walk next to Ashland "Blue Light Hub" for a 7pm start
OR join the walk at Beanhill or Netherfield shops.

Bring blue lanterns, lights, glow sticks and messages of support.

Share the event on social media with the hashtag #BlueLightWalk
