

## Patch Allotment report 13<sup>th</sup> March 2023

### Occupancy

New tenants being processed for two usable available plots, all those on waiting list are kept informed of progress.

### Fencing

A quote from Warefence is still awaited for the remaining 40.5 metres to be installed on the Eastern flank. Warefence is currently working with the HS2 project. Fortunately, trespassing on plots has reduced.

### Tea Room

A clean-up of tea room has commenced.

### Poly-tunnel

Working group arranged for 18/19 March to install new cover.

### Chickens

As bird flu is subsiding we are looking to get rescue chickens in time for school visits.
