### Rentals

Invites have been suspended during the winter and will resume in March. There are currently 19 names on the waiting list.

### Plot inspections.

The regular monthly reviews are now suspended as it is the end of the season, plus the bad weather lately has made working on plots very difficult. They will resume in March in the spring.

### Open day

The exact amount donated to Willen Hospice was £179:30, a letter of thanks has been received and posted to the notice board.

### Water Meter/Leak.

The leak has been located and repaired. A test of system pressure has proved successful and the site pressure has remained stable over the last few weeks. The plumbers are going to issue a certificate of completion for Anglian water. **Closed.**

### Warefence

Warefence attended the site before Christmas and completed the upgrade to the perimeter fence. Their invoice on completion has been received today (06/01/2025).
